

Banknote Strapping Machine

Plus P-413

Combining versatility and ease-of-use, the multi-purpose **Plus P-413** is a perfect complement for any business needs as it can strap almost everything, from banknotes to other large-sized documents.

What makes this product different?

Simple Operation for Excellent Quality

with user-friendly operation buttons that facilitate tight & neatly strapped banknotes or other documents

Versatile for Various Needs

with its easily accessible length adjustment to accommodate documents in various sizes

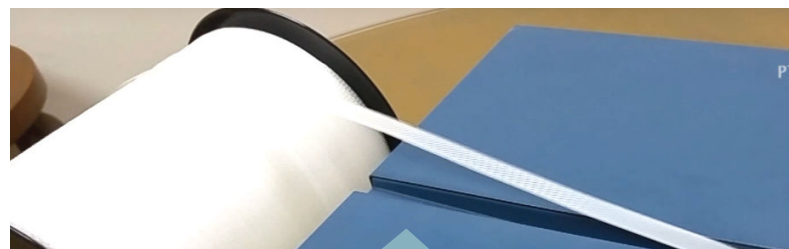

Save Time & Efforts

with its semi-automatic strapping technology that requires less human intervention

Smartly Designed for Healthier Working Environment

with built-in smell absorbing system that captures burning plastic odors in its sponge pad filters, thus improving staff's working comfort & indoor air quality

Flexible Choice of Consumables

Compatibility with strapping band purchased from any local stores or preferred vendors, as long as it meets the standard requirement

How This Product Benefits Me

Efficient Investment

with cost-effective device that offers flexible choice of consumables as well

Improved Staff Performance & Productivity

with its automatic & fully adjustable functions

Improved Security

with its tight and high quality strapping, preventing banknotes or other documents to slip off from its bundles

Ready to Use Products

with its simple operation & user-friendly menu
