moving you forward

StyleView SV44 Medical Cart

- Easy to maneuver: Moves easily across carpet or hard surface floors with a small footprint that fits in space-constrained areas
- Enhances well-being and productivity: Caregivers can choose their preferred height for ergonomic typing and charting as they sit or stand
- Stay organized: Accommodates up to five single-height drawers to easily access supplies
- Promotes patient and caregiver safety: Entire power system and cart are certified to UL/EN/IEC 60601-1 and comply with EMI limits of FCC Part 15 Class A
- Long battery life: LiFe battery option helps improve uptime with an ultrafast recharge and long runtime that can last up to 12 hours, depending on the number of connected devices
- Quick integration: Ships fully assembled

Electric lift height adjustment option

- Accessibility for all: Reduces user forces with heavy cart loads or for caregivers with physical limitations
- Adjustment at the push of a button: Fits a broad range of users 5'0" to 6'1" (152 to 185 cm) with height adjustment that moves the worksurface and keyboard

VERSATILE POWERED CART WITH MULTIPLE DRAWER CONFIGURATIONS SUPPORTS WIDE-RANGING WORKFLOWS

STYLEVIEW™

StyleView Medical Carts bring comfort and flexibility to any workflow by adapting to meet the needs of every caregiver. Built on decades of experience, these compact carts offer top-notch ergonomics and versatility. The open architecture design, broad portfolio of accessories and quality construction makes StyleView a long-term investment that evolves with your organization.

Customize your fleet to fit your workflows with:

Three display mount options

Lithium Iron Phosphate (LiFe) or Sealed Lead Acid (SLA) battery power

Proprietary Constant Force™ (CF) manual height adjustment or electric lift (eLift)

Pre-configured drawer options

STYLEVIEW™

PRODUCTS INCLUDE:

LCD Pivot or LCD Arm mounting options, antimicrobial worksurface, CPU lock, secure CPU compartment, four-port USB hub, scanner holder bracket, mouse holder, wrist rest, negative-tilt keyboard tray, left/right mouse tray, rear handle, storage basket, cable storage, four casters, eKinnex™ fleet management software.

- 1 Convenient scanner holder bracket supports smooth workflows
- 2 Large worksurface and wrist rest are treated with antimicrobial to support infection control
- 3 Auto-locking drawer system supports efficient medication management at the point of care; eKinnex software stores up PINs for up to 1,000 users; "pharmacy mode" allows all drawers to be unlocked simultaneously for efficient stocking
- 4 Negative-tilt keyboard tray, wrist rest and mouse holder support comfortable documentation; four amber LEDs provide visibility of the keyboard tray in low-light care areas
- 5 Rear storage basket keeps task-related items close for easy access
- 6 T-slot channel interface on the column allows you to integrate accessories
- 7 Four 4" (10.2 cm) lockable casters, including one with a tracking function to easily steer while moving the cart
- 8 Compact base fits into crowded healthcare spaces

SV44 SLA-powered LCD Pivot cart pre-configured with 6 drawers (3x2)

Durable, easy-to-clean exterior composed of aluminum, high-grade plastic and zinc-plated steel
