

Elo PayPoint® for Android™

All-In-One POS Platform

Plug & Play

Commercial Grade

3-Year Warranty

Product Overview

PayPoint is an all-in-one mPOS solution that brings simplicity and elegance to the point of sale. Offering sleek, modern style with peripherals built in, PayPoint integrates a receipt printer, cash drawer, MSR, barcode scanner and customer facing display. For EMV support, pair with your preferred EMV reader via USB or Bluetooth.

For retailers and operators, counter space is always at a premium. Ensuring that the counter looks inviting and remains functional is of the utmost importance. With its small footprint and attractive design, PayPoint transforms the cash wrap into a beautiful and functional space-saving solution to allow you to better serve your customers. The flip-for-signature screen encourages shopper engagement and electronic receipt delivery. And, with its single cable design, PayPoint makes setting up the point of sale system fast and easy - just unbox, plug in, connect, and go.

Deploy your POS software on a stylish all-in-one platform with the ease of a single cable for installation

Powerful Qualcomm® Snapdragon™ processor with Android 7.1 Nougat OS

Remotely deploy and manage your content on PayPoint with EloView

Elo PayPoint* for Android™

Specifications
