

How this product improved health & working effectiveness?

Create a Healthy & More Comfortable Working Environment

By allowing you to smoothly & easily adjust monitor for maximum viewing comfort, which help reduce eyestrain and visual discomfort, neck and shoulder pain, back problem, etc.

Improved Collaboration between Staff & Customers

by allowing staff to easily flip their display toward customers for confirmation or other purposes.

Improved Staff Productivity

with a mounting solution that enables staff to work with dual screen and facilitate easier working collaboration.

Improved Working Effectiveness

with ergonomic mounting solutions that enables productive collaboration among staff even in space constrained areas.

Ergonomic Desktop Mounting Solution

FOR MORE HEALTHY, COLLABORATIVE, AND PRODUCTIVE WORKING ENVIRONMENT

Uniquely designed to be a flexible solution, this desktop mounting arm comes in 2 options to suit your need & preferences.

Complete your desk with an accessory that makes an impact. The LX monitor arm greatly improves your health, working collaboration, and productivity by allowing you to easily adjust one or multiple displays at once.

Even more, you are able to add up to 4* displays for even better productivity & viewing experience while standing.
