

Empowering Smart Learning

'Stand Up' for Healthy & Active Living

Transform your classrooms into physically active and digitally connected learning spaces with mobile standing desk, ultra-fast charging carts, and ergonomic audio visual carts

Our Body Are Meant to Move

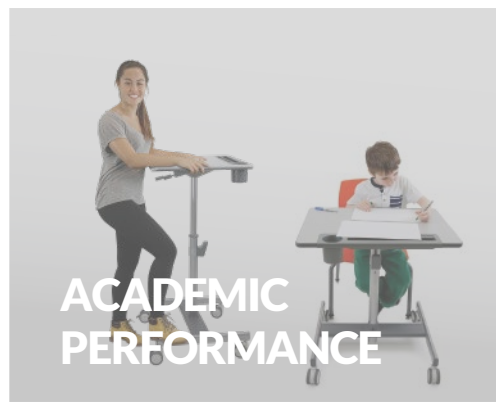

Studies show that introducing physical activity into the classroom has a positive impact on:

PHYSICAL HEALTH

Standing in the classroom promotes healthier metabolism

- ✓ Increased blood circulation,
- ✓ Increased heart rate,
- ✓ Increased calorie burn,
- ✓ Help maintain muscle tone

ACADEMIC PERFORMANCE

Physically active student have more active brain

The combination of better health & engagement has a positive impact on cognition & test score.

- **Memory Task:** Improved 16%
- **Test Score:** 20% more likely to get an A

CLASSROOM ENGAGEMENT

Better oxygen & nutrient transport throughout the body & brain translates into

- ✓ Greater student engagement
- ✓ Fewer disciplinary issues
