

StyleView® Laptop Cart, SV40

Why You Should Go with StyleView® Laptop Cart, SV40

- ✓ StyleView features patented CF™ lift-and-pivot motion technology minimizes forces required to adjust cart position
- ✓ StyleView quickly responds to caregivers' touch and enables nurses to effortlessly maneuver the cart to the point of need
- ✓ StyleView's ergonomic design accommodates the largest range of nurses and other caregivers
- ✓ StyleView's small footprint, with ultra-smooth gliding casters, travels easily across crowded carpet or hard surface floors and is perfect for space constrained areas.
- ✓ StyleView's open-architecture design accommodates most laptops—even widescreen with up to 17.3" diagonal size—easing future hardware deployments and upgrades.
- ✓ StyleView's passes Ergotron's 10,000-cycle motion test, which ensures a minimum of five years trouble-free sit-to-stand height adjustment
- ✓ StyleView has been tested to UL/EN/IEC specifications for enhanced patient safety

Incredibly lightweight!

This innovative, truly ergonomic and easy-to-maneuver healthcare cart features sit-to-stand height adjustment and an adjustable back-tilt keyboard tray with left or right mouse tray ensures wrists remain in a neutral position during data entry—avoid repetitive-stress injuries while increasing comfort and productivity.

StyleView® Laptop Cart, SV40 is designed to meet guidelines established by the American National Standards Institute for prolonged sitting or standing applications. The exceptional height adjustment range means shorter and taller users can work comfortably and productively in a seated as well as standing position.
