moving you forward

LX HD Swing Arm and Wall Mount Pivot

- Constant Force patented motion technology produces smooth tilt adjustment—set display in position with just a light touch
- Position your LCD or TV for maximum comfort and productivity
- Fits VESA-compliant LCDs ≤ 42" weighing up to 50 lbs (23 kg)
- Up to 20° of smooth continuous tilt adjustment (15° forward/5° back)
- Up to 360° of pan motion with the Swing Arm, 40° on the Pivot
- Allows display to be rotated for portrait or landscape viewing
- Compatible with multiple VESA hole mounting patterns
- Tested to four times its maximum weight capacity as required by UL Standard 1678—do not exceed 50 lbs (23 kg) in actual use

A FLEXIBLE ALTERNATIVE TO RIGID WALL MOUNTS

Ergotron's LX HD mounts offer a flexible alternative to rigid wall mounts for LCD displays or TVs weighing up to 50 lbs (23 kg). Embedded with Ergotron's patented Constant Force™ technology, LX HD Wall Mounts enable effortless screen adjustment for optimal viewing comfort. These dependable solutions secure your flat panel investment while their sleek design elegantly complements home or office décor. LX HD mounts offer reliability, quality and design at a genuinely competitive price.

LX HD Swing Arm and Wall Mount Pivot

- Effortless adjustment for premium viewing
- Secure your display investment with a quality and reliable solution
- Aesthetics make it the perfect accessory for the home or office
- Swing Arm extends LCD out from the wall 13" (33 cm) for comfortable viewing
- Excellent price performance—most affordable wall mount solution for medium displays

Tilt lock-down feature also provides tilt tension for odd-sized displays that have an extremely forward center of gravity

Patented CF pivot motion technology produces smooth tilt adjustment

Screen's viewing angle is easily adjusted for each user

Sleek and strong—LX HDs have been tested to four times their maximum weight capacity as required by UL Standard 1678 (do not exceed 50 lbs in actual use)
